# GRAILS 2025
# STUDENT
# COMPETITION

**GRAILS is a competition for students from around the world to develop artificial intelligence (AI) solutions with a focus on ethical, responsible, and sustainable impact.**
**Together we will shape the future of AI!**

## JOIN THE COMPETITION AND...

🤝 Collaborate with international students
🛠️ Gain hands-on experience in developing AI solutions
🌍 Use AI development for good
💡 Learn from AI experts worldwide
🏙️ Enjoy an amazing week in Rotterdam
🎓 Receive 3 ECT credits for your work
📝 Define your own assignment or find a real-life use case
🧑‍🤝‍🧑 Sign up with a team of max 6 students and a Teacher/Supervisor

**Don't miss this once-in-a-lifetime opportunity! 🚀**

### GRAILS WEEK
2nd - 6th June

Present your project for a jury of experts during the GRAILS week 2025 in Rotterdam (NL).

Meet the other students during a week filled with inspiration, a hackaton, pizza night and explore Rotterdam!

Online info session:      16th January
GRAILS kick-off event:    11th February
**Sign up before 31st January**
